**\*A Note About ASCA Obedience Trials:** ASCA sanctioned trials are open to all breeds and mixed breeds eligible for registry with another club (including AKC and AMBOR). This is an actual trial and dogs of all breeds are eligible for titles. Dogs with titles or legs in other registries must begin at the novice level in ASCA. Visit the ASCA site for more details ([asca.org](http://asca.org)). To enter in obedience a dog must have a tracking number. Details on obtaining this can be found on our website [www.pennyasc.webs.com](http://www.pennyasc.webs.com) under forms, or on the ASCA website ([www.asca.org](http://www.asca.org)).

**Obedience classes offered all three days are all regular classes and one non-regular class (sub-novice)**
