Sponsored by ASCNE

Instructor: Cindi Hayden

Location: Riverfare Farms

301 Tyler Rd. Webster, NH

In the indoor arena

Dates: March 27 and 28, 2010

Saturday will be a group clinic for 10 people working Boer goats. Sunday will be two 4 hour sessions working cattle with 5 people in each session. Please note a.m. or p.m. sessions on Sunday.

Fees: participants \$115 one day/\$195 for both

Auditors \$25 a day

(lunch will be included each day)

Time: 8:30 a.m. to 5 p.m. on Saturday and Sunday sessions will be 8:30-12:30 and 1-5pm

Participation on Saturday is preferred prior to working the cows on Sunday. Cindi will guide dog/handler teams in trusting one another and developing the working relationship. Goats tend to move slower than sheep and require more thoughtful “push” from the dogs rather than the reactive behavior of sheep. The cows will require even more self control for the working teams to be successful.
