NOTICE TO EXHIBITORS

This trial is sanctioned by the Australian Shepherd Club of America, with The Working Australian Shepherd Club of Upstate New York as the sponsor club. Exhibitors, through submission of entry, acknowledge that they are knowledgeable of ASCA rules and regulations, and agree to abide by all rules in effect at the time of this trial.

All healthy, trained dogs over eighteen (18) months of age are eligible to compete in ASCA agility trials. Dogs entering in ANY level of classes do not have to have an ASCA registration or tracking number. Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity, which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog. Any dog which demonstrates aggression towards any person or any dog, whether inside the

ring or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.

All ASCA agility trials shall be open to purebred and mixed breed dogs.

No bitches in heat allowed on grounds.

No collars, leads, food, toys, clickers, or other aids or devices shall be permitted on the course or within **ten feet** of the ring entrance at any time. The only exception to this is leading your dog to the start on lead, and then handing the lead to a steward. All dogs should be on leash or in a crate or pen when not competing.

Safety shall always be the foremost consideration in actions and conduct by handlers at all times.

The organizing committee may NOT refuse any entry other than on the basis expressly provided through rules and regulations of the sanctioning organization(s). Anyone not currently in good standing with ASCA will not be allowed entry into the trial.

The sponsoring club will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care, custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial/Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

REFUNDS

There shall be no refunds for entries withdrawn in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. Refunds are allowed if requested before the closing date. Refunds after closing date for bitches in season only. **ALL REFUNDS MUST INCLUDE OWNER'S NAME AND ADDRESS AND A VETERINARIAN'S CERTIFICATE WITH REQUEST.**

Frequently Asked Questions

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stock.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is \$10.

Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is in addition to the tracking fee of \$10 per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be \$20. For two dogs, the cost would be \$30, for three, the cost would be \$40, etc.
