

## PLATFORMS & PRECISION with PANACHE!

Learn new ways to:

- Shape precise positions
- Perform fluid transitions from one position to another
- Increase muscle memory in your dog to know when a position is achieved correctly
- Decrease the time and frustration in the learning process of new positions and skills.

Topics include: Straight fronts and heel positions, finishes to heel, Schuzthund turns, tight pivots and turns, teaching stand for exam, tuck sits, hinge downs, stationary position changes, and stays.

REGISTER: This workshop is limited to 10 participants and is free for ASCNE members. Non-members pay \$55. To REGISTER for this event, please email Anne St.Pierre at <a href="mailto:stpierrean@gmail.com">stpierrean@gmail.com</a>

Join us for a
workshop to help
increase your
team's precision in
obedience, rally, or
freestyle.

By using different platforms, you'll learn to minimize the need to lure your dog and develop cleaner handling skills and stronger reliability.

This workshop is for all experience levels!
