Volunteer Sign-Up (...We Really Need Your Support)

As at every event, no club can pull off a trial without the help and support of our exhibitors to keep the agility trial running smoothly and efficiently. **We will not be able to do this without your involvement.** Working in and around the ring is a great way to increase your knowledge and understanding of the sport. If you have a guest or significant other who would be willing to work at the trial, we'd be thrilled! A list of areas where help is needed and their associated description is below.

We appreciate your help and will do what we can for your comfort, including the volunteers' refreshment area for trial workers and helpers.

This year we will have a volunteer sign-up board available each morning of the trial.

Thank you for volunteering and making this a better show for everyone. We couldn't do it without you!

Below are descriptions of the different areas where volunteers are needed throughout the trial

(Starred (**)) jobs are for rank novices – little training required!!)

Timer (1 per ring)

- Restriction - Cannot be changed during the course of a class
- Tells handler when to begin
- Monitors that the electronic timer starts and ends; reads time to scribe
- For Gamblers, need to start the timer for each run and may need to stop

Scribe (1 per ring)

- Verifies scribe sheet is for the dog that has entered the ring
- Records on the scribe sheet all penalties signaled by the judge and the run time and gives the scribe sheet to the score runner

Gate Steward (1 per ring)

- Maintains a constant and orderly flow of exhibitors into the ring by keeping three (3) exhibitors ready to go at all times
- Communicates any change in run order to the scribe
- Informs ring stewards when it's time to change the jump heights
- Need to be assertive, have good organization skills, and knowledge of ring procedure – helps to know exhibitors

**Ring Steward (2-4 per ring)

- Quickly sets each jump for each class/jump height level, straightens the chute on the collapsed tunnel after every dog, replaces poles on jumps during or immediately following each dog's run

**Leash Runner (1 per ring)

- Brings leashes from start line to finish line

**Score Runner (1 per ring)

- Brings scribe sheets from the scribe to the scorekeeper

Scoring (1 per ring)

- Enter information on scribe sheet into the computer
- For Gamblers, a second person is helpful to total the number of obstacles taken during the opening time period
- Print completed results at the end of each class and put into score books
